

## Warranty

### The Marona Lifetime Warranty

Marona Kitchen Mfg. Inc. warrants its products by providing a limited lifetime warranty to the original consumer purchaser during the period in which they own their home. Our products are warranted to be free from defects in materials and workmanship to the original end-use of the product. In addition, all hinges and drawer slides used by Marona Kitchen Mfg. Inc. are warranted for the lifetime of the product.

Should any of products fail due to defects in material or workmanship under normal use within this period, Marona Kitchen Mfg. Inc., will at its own discretion, repair or replace the defective part. This warranty is not transferrable.

### General Limitations of Our Warranty

This warranty does not cover products damaged by misuse, neglect, acts of God, exposure to moisture, alterations, improper installation, and exposure to extreme temperatures, improper storage, improper handling, the effects of normal use or the failure to properly care for your cabinets.

This warrantee does not cover product that was sold as Supply Only in where defects in materials, workmanship and/or design was not inspected and disclosed within a 48 hour time period.

This warrantee covers only parts and materials of the products manufactured by Marona Kitchen Mfg. Inc. Not covered under this warrantee are additional kitchen and bath products or the cost, including labour to remove and re-install materials and related components.

Variations in colour and grain pattern are a natural characteristic of wood especially as the product ages. For example, white painted products may eventually have visible cracking around the joint area. Cabinet colours may change over time. Sunlight, smoke, household cleaners and other environmental conditions may affect the cabinet colour over time. These variations are considered to be the nature of the material in relation to their environmental exposure and are not covered under this warranty.

Variations in humidity levels cause wood and wood products to expand and contract Marona Kitchen Mfg. Inc., recommends humidity regulation (45-55% humidity) as well as UV window film to protect your cabinetry from discolouration and fading.

Marona Kitchen Mfg. Inc. will determine the feasibility of repair versus replacement and are contingent on availability of the items. If a warranty claim is filed after the product has been discontinued or modified, Marona Kitchen Mfg. Inc., reserves the right to honour the warranty in the following fashions:

- ) To repair or replace the affected component with a new component of the same style
- ) To repair or replace the affected component with similar and comparable product to achieve a similar appearance to the original product purchased

If components are replaced, Marona Kitchen Mfg. Inc. cannot guarantee the exact finish match to the existing product. This is due to colour calibration adjustments and the natural aging process of certain materials, i.e., wood.

I have read and agree with the terms and conditions of this warrantee
